<b>Winery Information:</b> A recent addition to the C&O portfolio, Tenuta del Priore was like C&O, also founded in 1973! The family winery was entrusted to Fabrizio Mazzocchetti in 2008, who was a graduate in Oenology and son of one of the founders. Located in Col del Mondo within the municipality of Collecervino, a small town near Pescara, the vineyards are perhaps better known for producing Montepulciano d'Abruzzo. However, other amazing wines can be found in their range including a zesty Pecorino.	<b>Bottle Closure:</b> Screw Cap
