<p>Gin Information:</p> <p>In years gone by Timperley Rhubarb, sometimes known as Timperley Early, was a variety that flourished in fields and allotments in and around Timperley Village. We have sourced Timperley Early from local allotments on the outskirts of Timperley and Altrincham to produce our own unique Simply Timperley Rhubarb Gin.</p> <p>The Perfect Serve:</p> <p>A large measure of Simply Timperley with a light tonic water over Ice and garnish with a sprig of mint and a couple of raspberries to enhance the pink colour. For something a little different try with Elderflower Tonic Water!</p>
